Do you have any unusual or humorous hunting and fishing stories and pictures? Please send them along to us so we can share them on our website.

Another Book to Recommend! *The Lion of Liberty*

"Give me liberty, or give me death." We all know that Patrick Henry spoke these words before the American Revolution. However, how much else about this great man do you know? *The Lion of Liberty* is a book all Americans should read. It details the life and accomplishments of this great man. It demonstrates what we owe to him. For instance, without his hard work and perseverance, we would NOT have the Bill of Rights. He fought for individual liberties and limited government his entire life. He fathered a large number of children and was extremely affectionate with them. He also helped his daughter raise her children. He was a wealthy man and he was a pauper. His story is unique and interesting. I highly recommend your reading this good book.

And by the way, if you have read or are reading any good books about our nation, its history, our Founders, or the Constitution, let us know. We will be glad to share your critique of such books

We will also gladly publicize any hunting or fishing books you recommend as well.

2012 Budget Posted on Our Website

Take time to look at the website. We have posted the 2011 budgets for your perusal. In addition, the approved 2012 budget is also posted so that you may see what we plan to do with your tax dollars. To those of you who came in or emailed your suggestions, thank you.
