Volunteers Needed!!!

Felsenthal is trying to get a Neighborhood Watch program set up here in town. A representative of the sheriff's office spoke to the town council at our last meeting, and he will come back for training when we have a group of committed volunteers.

Our eyes and ears are going to be our best asset in trying to keep petty (and not so petty) crime under control.

Several volunteers have already come forward, but we want a whole bunch. Please give me a call or send an email, so I can put your name on the list of citizens who will help watch our community.

Do you have any unusual or humorous hunting and fishing stories and pictures? Please send them along to us so we can share them on our website.

Time to go fishing. Send us pics

Grant NEWS

After all that hard work and all that community support, we were not funded for our Wildlife Observation Trail. I am VERY disappointed. We will try again.
