THE AMERICAN FLAG

I recently received a copy of a booklet entitled *Our Flag*. This booklet is published by the U.S. Government and includes a history of the flag, showing the various forms and configurations of the stars and stripes.

This booklet also includes the flag laws and regulations, including the appropriate manner to give the Pledge of Allegiance to the Flag. There are illustrations to demonstrate how to properly display the flag as well.

One page tells how to correctly fold the flag and outlines the suitable caring for it.

Each state's flag is represented as well, with brief descriptions and historical notes about each.

The booklet ends with a printing of all four verses of *The Star-Spangled Banner*.

If you would like to have a copy of this booklet, you may obtain one from Congressman Mike Ross: 1-800-223-2220 or www.house.gov/ross. His local office number is 870-881-0681.
