FIRST NEWSLETTER

We will try to put out a newsletter once per week for a while. **If you have news that is of public interest, send us an email. If you have questions about news we publish, send us an email. If there are announcements for the good of the community, send us an email.** Of course, you can always come by and see us at the Felsenthal Town Hall.

BURN BAN STILL IN EFFECT

To impress upon us how important it is that we still observe the burn ban, we had a bad fire last week that burned several lots and trees. No homes were damaged and no injuries were sustained, fortunately. However, remember, do not burn until the county lifts the burn ban. We will let you know.

AMERICAN HISTORY, ANYONE?

Would anyone be interested in a study of American history, particularly our Constitution and the Founding Fathers? There are some books we could read and discuss, or if someone has another idea for a format, we can discuss it. Contact us if you are interested.

If anyone would like to start a book reading group or a study group of a different topic than American history, please let us know.

We Need Help!

We are attempting to get a grant for a wildlife observation trail here in Felsenthal. We have the site; we have the grant application. What we need are letters of support from organizations and businesses, which could benefit from the trail. The Strong-Huttig school district has been contacted as well as municipalities in the region. We need Boy Scouts, Girl Scouts, Bird Watchers, Sporting Groups, and any other groups or organizations that would appreciate and benefit from this trail are requested to write a letter of support for our project.

Additionally, if there are groups or organizations that could provide materials, money, volunteer time in either the construction or the maintenance phases, that donation would be immensely appreciated.

Pictures of local wildlife, especially any taken this year and with a date stamp, would be appreciated as well, particularly colorful birds or small mammals. JPEGs on disc or attached to email please.

If you can help in any way, call, email, or come by and see us.
