## PLEASE NOTE PERSONAL PROPERTY TAXES

It has come to our attention that some of us—residents of Felsenthal—are paying our personal property taxes (NOT REAL ESTATE) to Huttig. Please check your PERSONAL PROPERTY Tax receipts and make sure that they reflect payment to the Town of Felsenthal, NOT Huttig. We need whatever revenue should be ours. Call the Assessor's office if you are unsure. They have been made aware of the problem, but unless we individually notify them, they might miss some of us.

## Grant Submitted

The grant for our Wildlife Observation Trail was finally submitted the last week of October. We are in the wait and see mode until we hear from the funding agency. We anticipate a further presentation with a Power Point presentation late this year or early next year.

## 2012 Budget Process to Begin

During the months of November and December, we will be looking at the budget allocations for next year. If any citizen has ideas or comments, please contact the mayor during this time. We appreciate your interest and input. Thank you for your interest.
