ANIMAL CONTROL WORKING

Since hiring Hartsell Pest Control to enforce our dogs running at large ordinance, we have noticed a decrease in the number of dogs running around town or chasing cars. Just one note here: Hartsell Pest Control, when working for the town of Felsenthal, has the same rights to enter property as do Union County Sheriff's deputies. They are legal extensions of the Mayor's office, wherein lies the chief executive and law enforcement authority of our town.

I want to thank all of you who have voluntarily complied with our ordinance. You make our entire community safer and more pleasant. For those who have received a ticket or a summons, please know that this is the will of this community. Pet owners have responsibilities, not only to the dogs they own, but also to their neighbors.

Citizens need to be able to walk their dogs without worrying attacks from loose animals. Citizens do not need to fear being bit by dogs that "pack up" because they are not properly restrained or disciplined.

We are ALL residents and citizens of Felsenthal, and we ALL have to obey the law.

**FELSENTHAL MAPS
(WORTH CAMP MAPS)
FOR SALE
at town hall.
PRICE IS \$25.00.**

Run over recently by a local citizen. Mounted in town hall.

SAFETY NOTICE!!!

October is the month of snakes. Watch for these critters as you walk about. They move a lot prior to freezing temperatures in order to store up fat for the winter. Dogs are curious animals who lead with their noses. So be careful when you are walking them as well.

Send us pictures of game or fish that are notable.

Rumors have it that there are some large limits of crappie being caught here. Please take a snapshot and send it to us. We would like to put it on our website's front page.
